

There is a new way for Veterans to update their [VA Health Benefits Information](#). Veterans can use the Health Benefits Update Form ([VA Form 10-10EZ](#)) to amend information such as:

- **Personal data** (like your marital status or self-identified gender identity)
- **Contact information** (like your phone number, email, or mailing address)
- **Insurance information** (including current coverage through private insurance, Medicare, or Medicaid)
- **Dependent information** (about a spouse or dependent child)
- **Financial information** (like your income and deductible expenses from the previous year)

Please send the complete form and any supporting documents to:

VA Health Eligibility Center  
2957 Clairmont Road, Suite 200  
Atlanta, GA 30329

Additionally, on the Update Your Health Information website, Veterans can find out information on how to:

- Schedule and View Appointments On-line
- Request a Decision Review or Appeal
- Refill and Track Prescription
- Get Medical Records

As always, it is an honor to serve you, our Nation's Heroes, and thank you for choosing the Durham VA Health Care System.
